

Amendments to the Claims:

This listing of claims will replace all prior versions, and listings, of claims in the application:

Listing of Claims:

1. (Currently Amended) A camera system for recording images, said camera system comprising:
 - an electronic image sensor for sensing an image;
 - a digital processing means for processing said sensed image in accordance with predetermined processing requirements;
 - a photo width ink jet ~~printer~~means printhead for printing said processed image on a surface of ink jet print media, said print media being treated so that it is magnetically sensitive and includes ~~an expansive~~ a magnetic recording surface ~~which is at least the same size as said printed image~~; and
 - a photo width magnetic recording ~~means~~ head for recording associated information on said magnetic recording surface.
2. (Original) A camera system as claimed in claim 1 wherein said associated information comprises audio information associated with said sensed image.
3. (Currently Amended) A camera system as claimed in claim 1 wherein the ~~printer~~ means printhead prints said sensed image on a first surface of said print media and the magnetic recording ~~means~~ head records said associated information on a second surface of said print media.
4. (Original) A camera system as claimed in claim 1 wherein said print media is stored on an internal detachable roll in said camera system, said camera system comprising a hand held portable camera device, said photo width ink jet printer being built into said hand held portable camera device.
5. (Original) A camera system as claimed in claim 3 wherein said first and said second surfaces are on different faces of said print media.
